Dear Donor:

On behalf of Haiti Mission, Inc., and the forgotten poor of Haiti who desperately need water and humanitarian aid, we personally want to invite you and your fellow employees to the 2011, "Running Water for Haiti-Tee off" to raise funds for this purpose. Our golf tournament will be held on April 1, 2011 at LaTour Golf Club beginning at 8:00 A.M. & 1:00P.M. www.latourgolfclub.com

Haiti Mission, Inc. has as its primary focus a commitment to provide basic humanitarian aid to the villages of Numero Deux and Ravine Sable which are domiciled in the Jeremie region of Haiti. The first and foremost goal is to provide potable water within 500 feet of every family in the area. Other projected activities include initiatives in the field of education, health, improved housing, and other basic materials needed. A long range vision is to help the villagers to establish independent economic development by providing them with agricultural business opportunities utilizing their own native resources, which may include no-interest business loans and vocational skills that will enable them to lead a life of dignity on the material, social, cultural and spiritual level.

With your assistance, the Haiti Mission will be able to bring water and other humanitarian aid to some of the most desperately poor in the Western hemisphere helping them to have better health and hopefully longer, happier lives.

Thank you for your time and consideration, and we would like you to know your donations and/or sponsorship will be greatly appreciated. If you would like more information, please feel free to contact us at 985-872-4549. Thank you for touching the lives of people who, at this time, have no way of helping themselves without help from friends like you.

God bless you!
